

# Gustav Outpatient Care Centre

Do you have abuse-related problems? Or do you know someone who does?

Gustav Outpatient Care Centre (Öppenvårdshuset Gustav) is aimed at anyone who has abuse-related problems, is resident in Malmö and is aged 18 or over. It offers competence in dealing with all kinds of abuse and dependence, e.g. alcohol, drugs, prescription medicines and excess gambling.

## Who can get in touch?

- Anyone who has abuse-related problems or needs support to maintain an abuse-free life
- Anyone who is concerned about someone else's abuse
- Anyone who is related to an abuser

## Contact us

There are various ways of contacting the Gustav Outpatient Care Centre, depending on the needs of the individual. You, together with your therapist, decide how often you need to come and how long the partnership lasts.

If you need an interpreter – let us know when you phone us
